Matt and Letty -

The State Water Board attempted to submit comments but they might not have been registered on the web site. Can you ensure that these are part of the record please? thanks. - Karen

Karen and Bruce - Please find attached comments regarding the Federal Work Plan for the Bay-Delta from the Waterboards (State Water Board and Region 5). I had trouble with the website for submitting, and am not sure if these all made it through (word count maximum was exceeded). I had spoken with Bruce last week and he suggested that it was ok to submit also through EPA. I hope this works, and look forward to future coordination.

Thank you,  
Tom
